

Genome Canada Review Panel Members

<p>Dr. C. Thomas Caskey (Chairperson) President & CEO Cogene Biotech Ventures Ltd. Houston, Texas</p>	<p>Dr. Karl Tibelius (Scientific Officer) Deputy Director, Programs Branch Head, Genomics Research Program Canadian Institutes of Health Research Ottawa, Ontario</p>
<p>Dr. John Bell Head, Nuffield Department of Medicine Wellcome Trust Centre for Human Genetics Oxford, United Kingdom</p>	<p>Mr. G. Steven Burrill CEO Burrill & Company San Francisco, California</p>
<p>Mr. Graham Cameron Joint-Head, European Bioinformatics Institute EMBL Outstation - Hinxton Wellcome Trust Genome Campus Cambridge, United Kingdom</p>	<p>Dr. Brian Chait Mass Spectrometry & Gaseous Ion Chemistry Rockefeller University New York, New York</p>
<p>Dr. Lawrence Hunter Director, Center for Computational Pharmacology University of Colorado School of Medicine Health Sciences Centre Denver, Colorado</p>	<p>Dr. Thomas D. Kocher Department of Zoology & Program in Genetics University of New Hampshire Durham, New Hampshire</p>
<p>Dr. Harris A. Lewin Department of Animal Sciences University of Illinois Urbana, Illinois</p>	<p>Dr. David Marshall Deputy Head, Genomics Unit Scottish Crop Research Institute Dundee, Scotland</p>
<p>Dr. Jean E. McEwen Director, ELSI Research Program National Human Genomics Research Institute, NIH Bethesda, Maryland</p>	<p>Dr. David L. Nelson Department of Molecular and Human Genetics Baylor College of Medicine Houston, Texas</p>
<p>Dr. Goran Sandberg Department of Forest Genetics & Plant Physiology Swedish University of Agricultural Sciences Umea, Sweden</p>	<p>Dr. Lars Terenius Center for Molecular Medicine Karolinski Hospital Stockholm, Sweden</p>
<p>Dr. David C. Ward Professor of Genetics and Molecular Biophysics and Biochemistry Yale University School of Medicine New Haven, Connecticut</p>	<p>Dr. George Weinstock Human Genome Sequencing Center Baylor College of Medicine Houston, Texas</p>
<p>Dr. Kevin Willis Program Director Central Nervous System Disease Research Millennium Pharmaceuticals Inc. Cambridge, Massachusetts</p>	<p>Dr. Shigeyuki Yokoyama Protein Research Group Genomic Sciences Center RIKEN Institute Japan</p>
